# Frequently Asked Questions

- ▶ **What if I want to come before the tournament?** *There are no rooms at the hotel on the preceding Tuesday night. We suggest you stay at the sister Marriott property in San Joes or book a villa or condo in Herradura for a night or two.*
- ▶ **Should I get a car?** *No. The roads are paved but driving is best left to the locals.*
- ▶ **What kind of transportation is provided?** *Could be anything from mini-vans to motor coaches depending on how many people are coming in at that time. If you or your guests are not registered, there will be no transportation. The company, CTT, handles most of Marriott's business.*
- ▶ **Will meal functions be covered in our all-inclusive?** *For the most part. We are paying for certain upgrades for the meal functions and beverages.*
- ▶ **Will I be able to attend meal functions if I stay in a villa?** *Yes, but you will have to pay for the meal.*
- ▶ **How will the restaurants know we are on all-inclusive?** *Each member and guests will be issued a silicon band at the reception. This may help identify you, but, more importantly all your meal charges will be taken off at check-out so just sign to your room.*
- ▶ **Are there scheduled events for the ladies?** *No. The past has taught us that our guests would rather take advantage of the pool, ocean and tours and be in control of their own schedule rather than conform to ours.*
- ▶ **Is the golf course difficult?** *Yes, but you'll love it.*
- ▶ **How are locals?** *Super friendly.*
- ▶ **How is the food?** *Delicious!*
